

## **Unicoa Industrial Supply Repair Services** **Policies**

Do not leave accessories or additional parts with your tool in repair. We will do our best to keep them together through the process, but Unicoa is not responsible for bits/cases/accessories/etc. left with the tool in repair.

We do not do partial or custom repairs. All tools will be repaired to the manufacturer's specifications, with OEM parts only.

Our repair work is guaranteed for 30 days.

All declined repairs will be returned to you un-assembled.

Tools not picked-up after 30 days of completion are subject to a weekly storage fee of 10% of the

MSRP of the tool. If the storage fee exceeds the MSRP, we will scrap/dispose of the tool.
